MultiSync E244F

Prioritising user comfort and delivering reliable performance, the E series is a perfect solution for the home office and small to medium sized businesses.

- Cost and time saving operation – based on an intuitive OSD design making set-up simpler.
- Ergonomic Office – full height adjustability (120 mm), swivel, tilt and pivot functionality ensures perfect individual workspace set-up.
- Black and white colour versions – white is is considered to reduce the impression of tunnel vision when placed in front of a white background such as office walls.
- Safeguarding user wellbeing – built-in Low Blue Light technology filters out hazardous blue light emissions whilst Flicker-Free technology eliminates any backlight flickering, protecting users eyes.
- Best in form and function – future-ready design with 3-sided ultra-narrow bezel, available in black or white, complementing a fresh professional office interior.
